

TECHNICAL FILE:

HDMI coupler

*Recommendation: use special boxes for electronics devices.
Example: Kaiser (Art. no. 1068-02 or 9062-74) in order to maintain the permissible bending radii.
For universal boxes please check drawing below.*

1.- Technical specifications

Brand: AMP

Standard: 1.3/Category 2

Support for HDMI™ technology (V 1.3 with Deep Color)

Video bandwidth: 1.65 GHz

Resolution: ≤1080p (1920 x 1080 pixels)

Vertical frequency range: 50 ... 85 Hz

Transmission rate: ≤ 10.2 Gbit/s

Gender changer: HDMI™ type A, 180°

Contact material: gold-plated

Installation depth: 27 mm

Ambient temperature: -5 ... +45 °C

2.- Material specifications

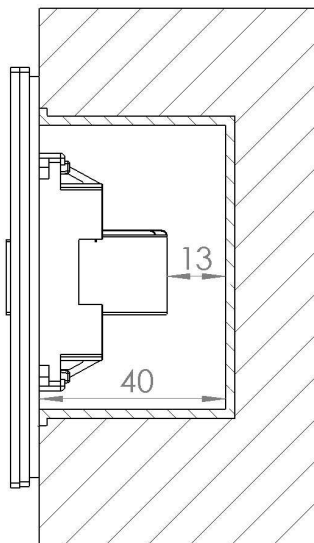

Housing material: ABS

UL Flammability Rating : UL 94V-0

3.- Certificate approvals

ROHS compliance

Height dimensions (size in mm)

Frame dimensions (size in mm)
